**ABOUT THE
ACADEMY:**

The JR Raiders Soccer Academy is a summer youth girl's soccer program that will be held at Moxley Field this summer. This is an excellent opportunity for youth players to further develop and enhance their foot skills, technical skills and game tactics. Each session will include skill development on specific topics through varying drills, small sided games and fun competitions. Each session will end in match play to practice what was learned during the session in a game setting. Girls of all abilities are encouraged to attend. The JR Raiders Soccer Academy will be led by Stacie Marino, the Girl's Varsity Coach at Watertown HS. Additional members of the High School coaching staff will be present to assist with instruction as well as the high school players. Come join us for some soccer and fun and improve your skills!

This program is coached by the WHS Girls Varsity Soccer Program.
